25 February 1955

MEMORANDUM FOR: Secretary of the Project Review Committee

SUBJECT : Relocation of the [REDACTED] Radio Receiving Station

25X1A6A

1. This is to advise that I have this date approved the expenditure of an amount not to exceed \$25,000.00 from Fiscal Year 1955 funds available to the Office of Communications.

2. This approval is given to enable the Chief of Communications, [REDACTED], to negotiate for a site and building constructed by [REDACTED] and presently available. Acquisition of the proposed site would enable the receiving station to move from its present location which has both technical and physical deficiencies.
